Will Prepare a New Bill, as the Present Law Does Not Protect the Poor.

BELIEVES IN JAIL PENALTY

Governor Has Evidence That Men Paid Back Five Times the Sums Borrowed.

ALEANT Dec. 28.—Gov. Glynn announced to-day that he would not appoint a supervisor of small loans as authorized, saying that the law works an injustice to the poor man. The Governor is of the opinion that the law is burdensome and unjust to the small borrower, who by the provisions of this statute it was provisions of this statute it was stranger caught. Hotel, Seventh avenue and Thirty-fourth street, early yesterday caused Thomas Malley, the barkeeper, to open the door on a crack.

A revolver came through the opening and Malley grabbed it, getting his finger behind the trigger. The door was forced open and Malley and a powerfully built man fought for the possession of the re-volver. sought to protect.

patronizing these can sharks," said the covernor, "have too long been victimized and swindled. I have been told of cases where poor men have been for years settling up their accounts with loan sharks and in the aggregate they pay at sharks are sharks and in the same of the sharks are sharks and in the same of the sharks are sharks and in the same of the sharks are sharks and the man grabbed another. Malley took the bottle was broken off and the man grabbed another. Malley took the bottle was broken off and the man grabbed another. Malley took the bottle was broken off and the man grabbed another. Malley took the bottle was broken off and the man grabbed another. Malley took the bottle was broken off and the man grabbed another. Malley took the bottle was proken off and the man grabbed another. Malley took the bottle was proken off and the man grabbed another. Malley took the bottle was proken off and the man grabbed another. Malley took the bottle was broken off and the man grabbed another. Malley took the bottle was proken off and the man grabbed another. Malley took the bottle was proken off and the man grabbed another. Malley took the bottle was proken off and the man grabbed another. Malley took the bottle was proken off and the man grabbed another. The neck of the man grabbed another the man grabbed another the man grabbed another the man grabbed another. The neck of the man grabbed another the man gra

hort of accomplishing this result."

There are numerous suggestions before the Governor for a substitute bill, but he prefer to walt until he receives a report of the commission now at work upon a PEACE MAKERS PLAN revision of the banking laws of the State and the Russell Sage Foundation, which s interested in the matter, before he agrees definitely upon the proposed sub-

For the last four or five years an active ampaign has been going on in New York State looking to the elimination of small an abuses. Since 1895 section 314 of e banking law has been on the statute

### Six Per Cent. Rate Enforced.

Recently this statute has been so construed as to forbid the making of loans of less than \$200 at a greater charge than 6 per cent, per annum, under penalty of fine and imprisonment, and a rather wide enforcement of the statute has been To get this construction it was necessary to carry three cases to the Court of Appeals.

As a result of convictions obtained

under this law a large number of usurious money lenders discontinued business and those remaining agreed to accept equitable ettlements. This was the situation prior • the enactment of Chapter 579 of the

ment penalty and removes the fear of real mishment, which has been an effectual club in driving illegal money lenders out of business. It has thereby encouraged a member of loan sharks to reopen their

The Governor's contention as to the effect of this new statute is substantiated

cient to allow the small loan business to Montevideo, by boat across the river

law satisfactory to them must contain

"The allowance of charges inclusive interest and fees amounting to 8 or 10 ter cent. per month, the repeal of the criminal penalty and the repeal of the law re-

uniting notice to employers.
"This law gives them these three things. it is not a constructive measure but destructive measure of the worst type."

The number of students is increasing and the association will offer them, free of

with a view to spreading in the by the opinion of a referee selected by the friends of the bill and by the Russell Saze Foundation through its director. Arthur H. Ham.

The summary of this opinion is:

"This law purports to recognize the need for small loans and to be a constructive measure allowing a reasonable rate under proper supervision and control, sufficient to allow the small loan business to Montevideo, by boat across the river La

# STEEL MILL ORDERS **ABOVE EXPECTATIONS**

Increase of Production in Pittsburg District Is Looked For Soon.

CRUDE CONTRACT ADVANCE

New Low Marks in Pig Iron, With Buffalo Cutting Prices on Valley Furnaces.

PITTSBURG, Dec. 28 .- Output of steel for December in Pittsburg and Western territory promises to average about 40 per cent. of maximum capacity. were running scarcely half time for a week before Christmas and practically

per cent, of capacity or better. Buying more liberal than had been expected The more cheerful market tone has been reflected in the contracting for forward

least five times more than the amounts borrowed.

"Some of the most prominent men and women of the State have appealed to me to stop this practice, and I am going to do it. The present law, however, falls do it. The present law, however, falls the total and the stop this practice, and the stop the ness except at an advance for second

> Contracting for first quarter for billets, bars and plates is 20 per cent, heavier than had been expected. Whereas the estimate at the middle of this month was that January would not average more than 50 per cent, in mill operations the average mill manager in the central West now expects operations at the rate of 70 per cent. for January.

Railroads are expected to specify large tonnages during the first half of the month. A New York elevated award, with contracts pending in Pittsburg, Cincinnati and Chicago, will provide 35,000 tons of structural. The shortage of stocks in bars and plates promises early buying

tals of South America, to develop closer in the history of the first time in the history of the industry. Buffalo has quoted \$13.80 delivered Pittsburg to has quoted \$13.80 delivered Pittsburg on No. 2 foundry iron, as compared with \$13.90, the best delivered price quoted

is quoted down to \$12.75 valleys, and forge iron has developed a minimum of \$12.50 at furnace.

\$12.50 at furnace.
Estimates on output of pig iron for the charge, all its facilities in choosing the most suitable school.

With a view to spreading in the United States a wider knowledge of Spreading the States a wider knowledge of Spreading the Sp

redent to allow the small loan business to be conducted on a reasonable money making basis. As a matter of fact, it legalizes the very evits which we have been seeking being basis. As a matter of fact, it legalizes the very evits which we have been seeking being basis. As a matter of fact, it legalizes the very evits which we have been seeking to climinate.

To allow a charge of from 124 to 270 per cent, per annum is not a commendable and then north to Panama, returning to New York early in September to a reasonable rate. To eliminate the criminal penalty is to take away the only weapon by means of which it has been possible for borrowers to get fairly equitable settlements with lenders.

Would Allow Blackmailing.

To repeal the notice to employers is to favite a return to the old blackmailing incheds of collection and to permit lenders in other States to make and collect loans to this state at exorbitant charges free from the danger of prosecution.

To set up the office of supervisor and by deliberately te the incumbent's hands by fulling to give him power to inspect the business of licensess is an attempt to once all the real character of the law The loan sharks have frequently said that a solution.

The work now planned supplements that already undertaken by the Panamerican loss of the business of licenses is an attempt to once all the real character of the law. The loan sharks have frequently said that a secondary of the control of the law. The loan sharks have frequently said that a secondary of the control of the law that a secondary of the control of the law that a secondary of the control of the law the secondary of the country. These undertakings have the approach the fairly equitable action in a last occasion of the law the man descendent of the house of Andrough West Homestead started shortly after inding the chain of the law in the measure of the house of the country. The set up the office of supervisor and their respective civilization of the law that a secondary of the country of the country of th
